

Specialized in
ENGINEERING
& manufacturing

PRODUCT **Portfolio**

About **us.**

We Maruti Fabtech Bhilai (C. G.) would like to introduce our self as Engineering company involved in manufacturing of 20kl/30kl/50kl bio diesel / petrol storage tanks ,cement storage silos, all types of building as well as technological structures, mild steel gratings /galvanized gratings as per design and drawings.

We have another sister concern unit having facilities of machining also and engaged in machining of forgings and casting jobs like support rollers for kiln and cooler, bearing housings, wheels and axles, shafts, magnet shell and concor bolster for railways etc.

Quality **Policy.**

Maruti Fabtech is committed to meet all quality requirements of our valuable customers.

We ensure our sincere efforts to deliver quality products within stipulated delivery schedule at competitive and reasonable price.

Our **Products.** & Services

PETROL DIESEL

STORAGE TANKS

having capacity of
20kl/30kl/50kl (IOCL)

Storage tanks having capacities of 50KI/24KL or as per custom requirement of our customers depend on their requirements.

Our **Products.** & Services

**CEMENT
STORAGE SILOS**

100 MT

Fabrication of Building as well as
technological structures
Pre engineered building structures

Fabrication and erection of Canopy work for Petrol pumps. Etc.(IOCL)

Our **Products.** & Services

Fabrication Of Structures

having thickness of
5mm to 25mm thk of
different lengths
as per requirements

Our **Products.** & Services

Fabrication & Erection **Of Canopy**

Work For Petrol Pumps.
Etc.(IOCL)

Our **Products.** & Services

Fabrication of
MS PIPES
of different diameters
(400mm to 2500 mm)

having thickness of
5mm to 25mm thk of
different lengths
as per requirements

LIST OF MACHINERIES & EQUIPMENT

Sr. No.	NAME OF MACHINE	QTY
01	PLATE BENDING ROLLER MACHINE – 16 MM X 1800MM	01 No.
	PLATE BENDING ROLLER MACHINE – 25 MM X 2500MM	01 No.
02	CNC OXYFUEL CUTTING MACHINE	01No
03	PUG CUTTING MACHINE	04Nos
04	OXYFUEL CUTTING HANDSET	04 Nos.
05	POWER PRESS-50TONS	01No
06	AIR COMPRESSOR 5 HP	02Nos
07	A.G.7 GRINDER	05Nos
08	A.G.5 GRINDER	06Nos
09	WELDING MACHINE-250AMP	02 Nos
10	WELDING MACHINE -400AMP	03Nos
11	WELDING RECTIFIRE-400AMP	04 Nos
12	Co2 WELDING MACHINE	03 Nos
13	MAGNATIC CORE DRILL MACHINE	03 Nos
14	PUMP SET FOR PRESSURE TESTING	01 Set
15	PIPE CUTTING MACHINE	03 No.
16	SAND BLASTING AND PAINTING SETUP	01 No.
17	8 MT HYDRA	1 NO.
18	DFT METER	1 Set
19	WELDING ELECTRODE CARRYING OVEN	2 Set
20	SURFACE GAUGE	1 Set
